WHY PRINT WHEN WE LIVE IN A DIGITAL AGE?

JEAN-RENEE PHOTOGRAPHY

*Posting your photos on
social media is great.*

BUT IT'S ALMOST
INSTANTLY
FORGOTTEN,
no matter how many likes it's received.
How often do you go back through
your feed to look at your photos?
Putting it on your walls or in albums
allows you to enjoy it everyday.

WHEN YOU SCHEDULE A PHOTOSHOOT WITH ME,

I have something very specific in mind - a collection of beautiful photos that will be valuable to you. I specifically shoot with collections and wall art in mind. Printing your photos is very important to me and I want my clients to see the value in it too!

*Landscape wall art is a separate price list.
